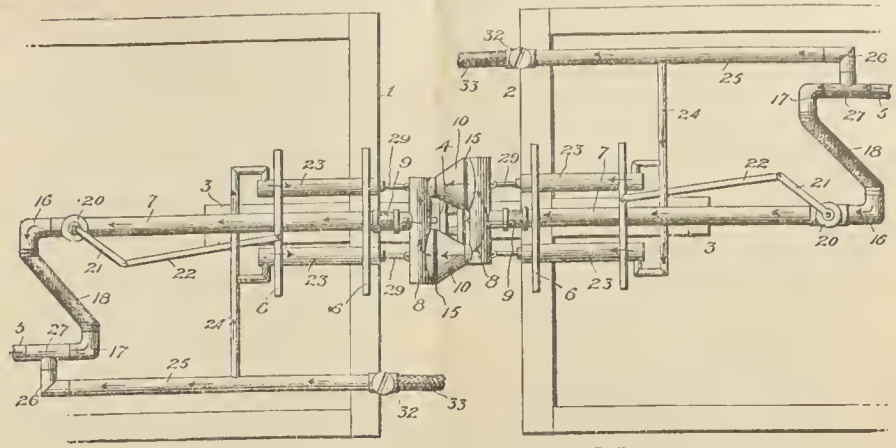
Brown, Oscar Lee

November 22, 1904



Willson & Co., Patent Attorneys, Washington, D. C.

OFFICE OF

OSCAR LEE BROWN

INVENTOR OF

An Automatic Coupling for Air-Brake Connections of Railway Cars.

Ellisville, Miss., Nov. 190 1

Box #114

Messrs Lemley & Fox.
Philadelphia Pa

Dear Sirs:

I have been advised that you would expedite prosecution in my 1804 Air Brake Coupling for the reason that suits are pending for infringement. If you will kindly advise me by return mail stating just what you want.

Yours truly

O. L. Brown
